LIVING SPACES

There are several spacious common rooms in the villa and all are beautifully decorated, still maintaining the original architectural charm. All rooms have panoramic views and are filled with summer light thanks to the large windows. A spacious independent pavilion performs as home theater while the villa offers many other areas where to relax, to lounge, have a drink or escape from the hot summer hours. A generous dining room allows to host dinners for up to 30 people, if you decide once in a while to not dine alfresco. A fully equipped kitchen completes the villa.

OUTSIDE FEATURES

The outdoor social areas are very comfortable and showcase a covered loggia, the pergola, a set of different water temperature pools, the wide delightful terrace in front of the house, and the best features: a private gym and massage room, and the stargazing observatory.

The grounds are very well landscaped and accommodate several outdoor seating areas, perfect spots for reading a good book or enjoying the views of the Tuscan hills. The infinity edge massive private swimming pool and the three plunging pools at different water temperature are at your disposal to reinvigorate your body while the unspoiled views from there will recharge your soul.
