LIVING SPACES

Ground Floor

If you, like us, love clean-edged living spaces and neutral palette splashed with touches of primary colors, then Villa Jeanneret is perfect for you. The interiors of the main villa and the annex reflect the aesthetic of the moment. Original 20th century furniture, marble and wood floors add quality and elegance to the rooms while the large windows facing the lake provide plenty of natural light, so valuable to uplift the spirit and so pleasant to be in. Several sitting arrangements are available throughout the villa, indoor as well as outdoor, and the bright dining room can accommodate up to 14 people comfortably. A fully equipped kitchen and guest bathroom complete this floor.

Lower Floor

Private wellness area with sauna and whirlpool tub, media room with large screen TV and comfortable sitting.

OUTSIDE FEATURES

The generous patio of the villa faithfully incorporates the modernist concept of bringing the outdoors in. Here you have an olive tree growing in the uncovered area of the patio while a fantastic lounge zone is set under the roofed side. The manicured lawn hosts a panoramic heated swimming pool - with whirlpool zone, which idyllically faces the lake and the attractive Comacina Island below.

AMENITIES

A/C in all bedrooms, heating, Wi-Fi internet connection, flat screen 60" satellite Sky TV in the living room and 40" flat screen TVs with Apple TV in the bedrooms, fireplace, washer and dryer, dishwasher, BBQ, ice maker, hairdryers, safe, hi-fi with Ipod

support, private heated swimming pool (8,5m x 3m), sprawling garden perfect for kids, private parking, private spa with whirlpool tub up to 4 people and sauna.

SPECIAL CHARACTERISTICS

The entire Como area's exceptional beauty and Jeanneret's supreme tranquility and comfort make this villa the best summer retreat you can find on the lake shore. The heated pool and the private spa with whirlpool tub and sauna make this villa ideal for spring and fall as well, two other very enjoyable seasons on the Lake!
